

Northshield Mug Fundraiser

Proceeds from this fund raiser will be sent to the Northshield Youth Officer Background Check Fund..

These stoneware mugs are all hand-turned from high-fire stoneware by the artisans at Sunset Hill Stoneware.

Each piece of stoneware is created with high-fired clays and the finest quality lead-free glazes.

Under normal use, these durable pieces are oven-safe, microwave-safe and dishwasher-safe.

We are offering four different styles in two glaze options as shown below. All order must be pre-paid and will be delivered at an event near you. If you can't wait, your mug(s) can be shipped to you for an additional charge.
